

KARIM ALI MOHAMED

Store Manager | F&B & Retail Operations

Giza, October City, Egypt | +20 10 0514 6246 | karim.a.mohammed.m.b000@gmail.com | linkedin.com/in/karim-ali-mohamed

PROFESSIONAL SUMMARY

Store Manager with 8 years of progressive experience across F&B and retail operations, including branch P&L ownership, inventory and cost control, and team leadership of up to 15 staff. Track record of improving service speed, controlling food and labor costs, and building teams that hit sales and customer-experience targets. Seeking to bring hands-on operational discipline to a growing F&B brand.

WORK EXPERIENCE

Store Manager • Pancakes Foods

02/2023 – Present

Al Jizah, Egypt

- Led a team of 15 staff across front-of-house and kitchen operations, cutting average service time by 20% through revised station workflows and shift scheduling.
- Grew branch sales by 15% within 6 months by launching targeted local promotions and retraining staff on upselling and customer engagement.
- Controlled food and labor costs against weekly P&L targets, reducing waste through tighter inventory counts and supplier order cycles.
- Monitored daily KPIs (sales, labor %, waste, customer scores) and reported variances to area management with corrective action plans.

Retail Manager • Circle K

07/2019 – 02/2023

Sheikh Zayed, Giza, Egypt

- Managed daily store operations, staffing, and inventory for a high-traffic branch, ensuring compliance with brand and safety standards.
- Raised customer satisfaction scores by 18% within 6 months by redesigning onboarding training and introducing a shift-level feedback system.
- Reduced stock shrinkage by tightening cash-handling and inventory reconciliation procedures across all shifts.
- Coached and developed shift leaders, supporting two internal promotions into supervisory roles.

Retail Sales Merchandiser Supervisor • Mars Egypt

02/2016 – 07/2019

Cairo, Egypt

- Supervised merchandising teams across multiple retail accounts, ensuring planogram compliance and on-shelf availability.
- Built and rolled out a structured field training program that lifted team performance and in-store customer experience.
- Coordinated with store managers to plan promotional displays, improving sell-through on featured product lines.

Head Cashier • Ragab Sons

06/2014 – 02/2016

Cairo, Egypt

- Supervised the cashier team and daily cash reconciliation, maintaining accuracy across all shifts.
- Designed a training program for new cashiers that improved checkout speed and reduced transaction errors.
